In 2006, the Institute purchased a piece of land in the City of Diamond Bar in an effort to establish a permanent location to serve the Muslim communities of Los Angeles, Orange, San Bernardino and Riverside Counties. Since the acquisition of this property, we have been diligently working towards the design and approval of this construction project. By the grace of Almighty Allah, we are now in a position to start ground breaking this summer insha-Allah. Therefore we require the prayers, support and generosity of the Muslim Community at large.
